## For Outdoor

### PRODUCT CATALOG

## ABOUT US

■ Luxgend Electronics Co., Ltd. located in Zhongshan of Guangdong, is a dedicated manufacturer with capacities of design, development and production of utility LED lights, including work lights, spotlights, lanterns, auto lights, etc.

■ We are a dedicated manufacturer with capacities of research & development, production, and sales of utility LED lighting products, including work lights, spotlights, outdoor lanterns, auto lights, floodlights, etc.

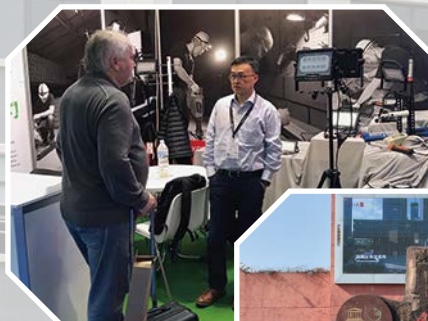

■ Our manufacturing capabilities involve tooling & injection, SMT & electronic assembly, and line productions in house, as well as a strategic partnership of CNC machining and other metallic processing. We're aiming at a certain advantage by integrating various technologies to facilitate our commitment to the customers.

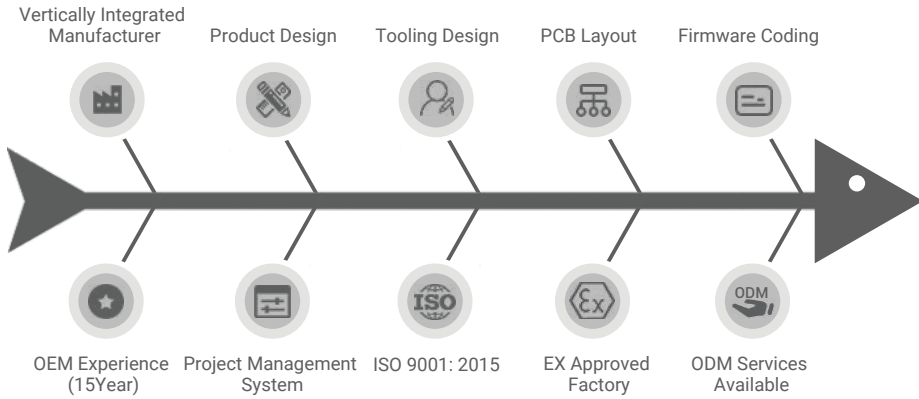

## CERTIFICATE

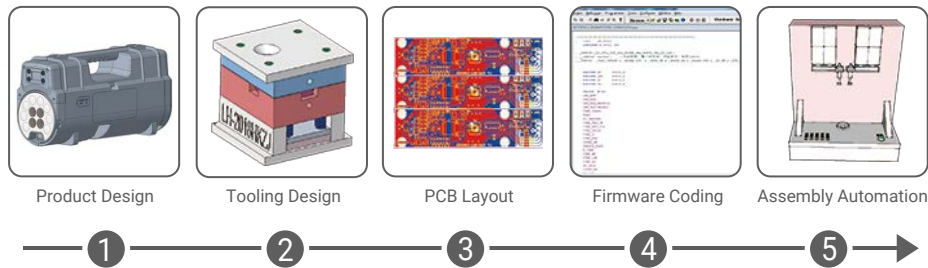

## OUR TEAM

# OUR ADVANTAGES

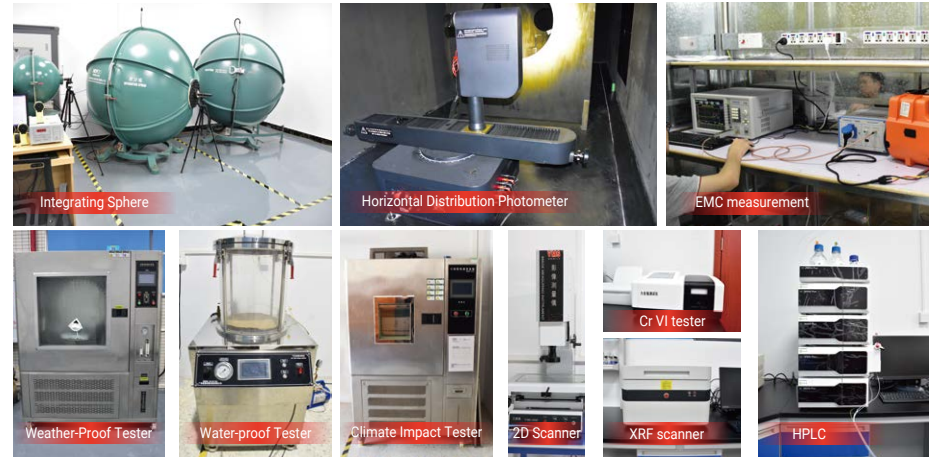

## IN-HOUSE DESIGNING ADVANTAGE

## EQUIPMENT

## In-House Testing & Verification

Quality is not built by exorbitant materials, it's the relentless, even paranoid pursuit of client's satisfactory that privileged your products, although we know it's a tough road.
